A black and white manga-style illustration of two characters standing on a tiled roof. The character on the left is a boy with spiky hair, wearing a light-colored t-shirt and patterned shorts, holding a small object. The character on the right is a girl with long hair in a ponytail, wearing a light-colored long-sleeved shirt and dark shorts. They are looking at each other. A speech bubble from the girl is on the right. The background shows some foliage and a clear sky.
